

## U3A's Benefit from Travel Cash-Back.

Are you, a friend or family member, considering booking a holiday with Riviera Travel? Did you know that Riviera Travel will donate to Woking Area U3A a very generous 10% of the holiday cost? See below an article from the April 2019 Newsletter.

Last year we collected several hundred pounds from this scheme. All of it helps fund WAU3A members' activities.

**You must mention this scheme at the time of booking: the scheme cannot be applied retrospectively**

### **Riviera Travel**

Are you, or a friend or family member, considering booking a holiday with Riviera Travel? Did you know that Riviera Travel will donate a very generous 10% of the holiday cost to Woking Area U3A? Here's how it works.

Riviera Travel have what they call their Affinity Programme for charities. If any U3A member – or any of their family or friends – book a Riviera Travel holiday and mention their Affinity Programme and Woking Area U3A when booking, then 10% of the basic holiday cost for all passengers on that booking is paid to Woking Area U3A as a donation.

If you book by phone, mention Affinity Programme and Woking Area U3A at that time. If you book online, you must then telephone Riviera Travel by the following morning to ensure that your booking is logged with their Affinity Programme and that Woking Area U3A is registered to receive the donation.

What happens next? Shortly after making your booking you will receive a confirmation invoice. There will be no obvious reference to the U3A on this letter. Simply let our Treasurer know your travel date and Riviera Travel reference number, and they will ensure the link has been made.

Immediately after your holiday the person who booked the holiday will get a "commission is ready" email from Riviera Travel. Simply forward this email to our Treasurer ([treasurer@wokingareau3a.co.uk](mailto:treasurer@wokingareau3a.co.uk)). He will then raise an invoice with Riviera Travel to claim the donation.

Note: Please mention this to friends and family. If they mention Woking Area U3A when booking their holiday, then we will still get the 10% donation, even if the person booking is not a member of U3A.
