Climate Change Group

Venue: St John's Memorial Hall,
St John's Lye, GU21 7SQ

Dates: **16th May and 20th June**

Time: **2.00pm to 4.00pm**

Contact: Graham Good **07966 988 534**

Group Description: Our Group is for people who care about climate change. We seek to establish the science related to global warming, and the ideas at the heart of efforts to prevent extreme changes to the world's climate.

Proposed Chess Group

A member has proposed a chess group. He would be willing to help run it (he has run a group like this before) and would be around to help every other Monday afternoon or weekly on a Thursday afternoon, but the group would need a leader.

The standard could be from beginner to improver, and complete beginners could be taught how to play. The atmosphere would be sociable and relaxed.

Please contact Cathy Wooden if you are interested in this group.
