# Frauds and Scams

- Scammers target everyone and see charities as a weak link. If you have a little spare time then you may find the following links worthwhile and helpful.
- The Trust is a partner of Take Five which is supported by a consortium of high street banks, larger charities and backed by HMG. <https://takefive-stopfraud.org.uk>
- Have a look too at the Scam Aware twitter page. Software updates on your devices may contain vital security updates. Always update your device as soon as one is available.
