

LATEST FOR SHEILA WHITTAKER

I have finally been able to find some good seats for a London Show at great prices but only 20 seats.....

The Phantom of the Opera - Thursday 15th June - 2.30pm
matinee at Her Majesty's Theatre, Haymarket.
Seats in the Stalls Rows M & N at £30 with a face value of £72.50

"Far beneath the majesty and splendour of the Paris Opera House, hides the Phantom in a shadowy existence. Shamed by his physical appearance and feared by all, the love he holds for his beautiful protégée Christine Daaé is so strong that even her heart cannot resist."

It is now in it's 30th year in London and still really popular.

"Andrew Lloyd Webber's mesmerizing score along with jaw-dropping scenery and breath-taking special effects, magically combine to bring this tragic love story to life each night"

I think this is a show that even if you have seen it previously can happily return and there are probably some of you that have never managed to see it. So now is your chance.....

Haymarket is easily accessible with buses from outside Waterloo station to Trafalgar Square/Piccadilly station or the Bakerloo line underground.

As usual, anyone not wishing to travel on their-own is able to meet me at Woking station at about 11.30am to travel together and have lunch before the show.

Please note I only have limited seats on hold for 3 weeks so don't delay to avoid disappointment. I have attached a revised booking form.

Best wishes

Sheila
